McDonald Family Dentistry Patient Financial Policy

Our office wants all of our patients to be able to comfortably afford dental care. We proudly offer the following financial policy so that our patients can have the opportunity to decide which payment option best suits your needs.

Insurance:

We are committed to providing you with the best possible dental care. If you have dental insurance, we will help you receive your maximum benefits and we are pleased to file a claim for you at no charge. Most dental insurance plans do not cover 100% of your cost of treatment. Because of this, **you will be asked to pay your deductible and your co-payment for the charges on the day the service is rendered.** We will estimate as closely as possible your coverage, but we can make no guarantee of any estimated coverage. Because the insurance policy is an agreement between you and your insurance company, the ultimate responsibility for all charges lies with you. If after 60 days the insurance company has not paid on the claim, you will be responsible for the total balance including finance charges (1.5% per month). *Please be sure to follow-up with your insurance company to ensure payment of claims submitted.*

Payment Options:

1. **Cash or Check** is gladly accepted. No post-dated checks are accepted.
2. **Credit Card:** Our office also accepts MasterCard or Visa.
3. **Outside Financing:** Financial services through Care Credit or Citi Health Card Services for low or no interest financing to support you in having optimal treatment when necessary. These companies will ask you to do a brief application and will verify your credit history prior to extending credit.

*Payment not made for services after a reasonable period of time will be forwarded to a collection agency or attorney and formal action to collect the debt will be initiated. You will be responsible for any attorney's fees and/or collection charges incurred.

** A \$25 charge will be incurred for any checks returned for non-sufficient funds.

Thank you for reviewing our financial policies. We make every effort to explain in advance of treatment your costs to you so that we can avoid misunderstandings and focus on your dental health. If you have any questions, please ask. We are here to serve you.

By signing below, I understand and agree to the terms stated above. I have also received a copy of this agreement for my records.
