OUR REVIEWS ON

06/16/22:

I have been a patient of Solinsky EyeCare for many years and I have always had a great experience. The staff are friendly and efficient and whatever doctor you see, they're always friendly and concerned about your needs. I have visited two of the three offices and the service is the same. I highly recommend Solinsky EyeCare.

05/16/22:

I find Solinsky Eye to be excellent in caring for my eye care. Especially dealing with patients like me: dealing with glaucoma, and cataracts. The staff is very welcoming and thorough in their tasks. Dr Hwang is very cordial and interested in my care. I would definitely refer this place to others.
