

Solinsky EyeCare LLC

Ophthalmology, Optometry, Contacts, Glasses & Hearing

Welcomes Brian Solinsky, MD

- **Medical Retina**
- **Cataracts**
- **Comprehensive Ophthalmology**

Solinsky EyeCare is pleased to announce the addition of Brian Solinsky, MD to our team of eye care professionals. He is excited to join his father Alan Solinsky, MD and our team of doctors in providing the very best care to the Solinsky EyeCare patients. Dr. Solinsky is fellowship trained in medical retina, also specializing in cataracts and comprehensive ophthalmology. He is well versed in all common retinal pathology, has extensive training in inherited retinal diseases, as well as receiving advanced cataract surgical training.

Dr. Solinsky completed his fellowship training in medical retina at the Moran Eye Center at the University of Utah, a prestigious top 10 eye institution. He completed his ophthalmology residency at Jamaica Hospital Medical Center of New York Medical College, and his internal medicine internship at UCONN Health. He earned his medical degree from the University of Connecticut School of Medicine and his bachelors at Union College where he graduated magna cum laude. Dr. Solinsky has also presented his research on macular degeneration at national conferences. His hobbies include skiing, hiking, and traveling. He looks forward to seeing you in the office.
